WHY? BURSA ULUDAG UNIVERSITY

With its staff of more than 2,500 academicians and experienced administrators, Bursa Uludag University is one of the biggest universities in Turkey.

As an institution that has embraced contemporary values, BUU has adopted social change, scientific approach, raising qualified staff, academic freedom, support for students, lifelong learning and serving society as principles.

In our university whose goal is to provide internationally equivalent programs, the contents of our undergraduate and graduate programs have been brought into conformity with other national and international programs. In all our programs, a credit based system is used to comply with the European Credit Transfer System.

By means of the Erasmus Student Exchange Program, students are sent to reputable universities in Europe to contribute to their scientific, social and cultural development.

In order to prepare our students for the European Union, students are issued a Diploma Supplement (a document in English that makes all programs internationally valid and is recognized by the EU) appended to their Diplomas.

Double Major and Minor opportunities are also offered to successful undergraduate students.

With regard to the level of progress it has made, our university has been designated as "excellent" in terms of its change capacity among the European universities that have been assessed so far by the European Universities Association Assessment Committee.

In terms of Education and Research Reforms, our university has been accepted as a successful model to all the newly-established universities in Europe as part of the "Quality Culture Project" conducted by the European Universities Association.

BUU has departments that provide education at world standards with educational and application areas accredited by national and international accreditation bodies.

Our students are provided with applied training and education opportunities in the best industrial and private sector enterprises.

Uludag University has been chosen as one of the 16 research universities by the Higher Education Council. (YOK)

Our university is among the top 20 defined as Internationalization Universities by Higher Education Council.

With our portal prepared for our international students, we encourage our students to get in touch with the leading industrial and private sector organizations of Bursa.

Life on campus

Estimated living expenses for students are monthly 200 to 250 € including the cost of accommodation, food - drink and transportation.

All students studying at BUU can find a suitable accommodation on Görükle Campus. The monthly cost of a room for a student is about 150 \$.

Those students who wish to stay in private hostels, guest houses or rented homes may find accommodation at reasonable prices in the city centre, the suburbs and Görükle.

Dining halls in the campus offer meals prepared by dieticians at affordable prices. Also in and around campus, canteens and cafes are available as well as fast food restaurants and pastry shops.

Trainings in various sports are organized by the academic staff of the Physical Education and Sports Department for our students to make use of their free time efficiently, do sports for a healthy and happy life, get to know each other and develop physically and mentally. Students who participate in sports activities during the academic year get the chance to represent our university in local and inter-university competitions and experience the feeling of becoming successful sportsmen/sportswomen and champions.

Students can get discount on buses and metro around the city using their student pass. (BuKart)
